1.0 Introduction

This document provides the necessary information for candidates pursuing the Agile Analysis Certification (IIBA-AAC). Direct links are provided to the IIBA® website where applicable.

IIBA-AAC recognizes and indicates to employers your ability to apply an agile mindset to the fundamental knowledge, competencies, and techniques of business analysis. While there is no work experience requirement, this certification is recommended for business analysis professionals with two to three years' experience implementing analysis-related work in an agile context.

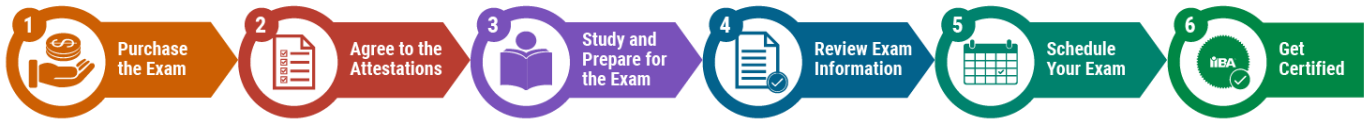

Competencies expected and recognized through this specialization are aligned with [Agile Extension to the Business Analysis Body of Knowledge \(BABOK® Guide\), version 2](#).

IIBA is committed to providing full access to its credentialing products and services and complying with applicable laws and regulations, including the Americans with Disabilities Act (ADA) and Accessibility for Ontarians with Disabilities Act (AODA).

Information about **testing accommodations** is available on the [Exam Information](#) page, under “Candidate Frequently Asked Questions.” To request accommodations, please contact certification@iiba.org. See the [Extenuating Circumstances Policy](#) for our guidelines on hardship-based extensions.

IIBA’s credentialing policies and practices are guided by the International Standards Organization, ISO/IEC 17024, and the National Commission for Certifying Agencies.

2.0 Six Steps to Certification

1. Purchase the Exam

[Login with your IIBA credentials](#) or [create a new account](#).

From your profile page, open the Certification menu.

Select My Certifications, AAC then

[Get Started](#)

Purchase your exam and go to the next step.

Special Terms and Conditions

- From the day IIBA receives payment for your exam, you will have **six months** to schedule and take your exam.
- Candidates **have 30 days from the day IIBA receives the exam payment to request a refund.**
- There is a fee associated with each exam attempt. The [exam rewrite fees](#) are not included with the initial exam fee.
- View exam terms, rescheduling and cancelation policies on IIBA's
- Exam Information webpage.

Note: Certification terms are subject to change without notice.

2. Agree to the Attestations

[Login with your IIBA credentials](#).

From your profile page, open the Certification menu.

Select My Certifications, AAC and

[Submit my Attestations](#)

You will be asked to read and abide by:

- [IIBA Certification and Recertification Terms and Conditions](#)
- [Code of Ethical Conduct and Professional Standards](#)
- [IIBA Guide to Online Remote Proctored Exams](#)
- AAC Handbook

3. Study and Prepare for the Exam

Exam Structure

Duration: 120 minutes
 Questions: 85 multiple-choice, scenario-based questions
 Format: Online remote proctored
 Type: Competency-based

[Exam Format and Navigation](#)

Knowledge Areas

The exam tests your ability to answer questions focused on real-world scenarios. It covers the 4 Knowledge Areas or Domains discussed in the Agile Extension to the BABOK Guide. They are further categorized into competencies and proficiency levels. Study the [Agile Extension](#) and the [Competency & Proficiency Levels](#).

IIBA-AAC Exam Blueprint

Knowledge Areas (KAs)	% of Questions per KA
1. Agile Mindset	30%
2. Strategy Horizon	10%
3. Initiative Horizon	25%
4. Delivery Horizon	35%

Study and Learning Options

- [IIBA Training and Academic Partners](#)
 IIBA endorses education and training delivered by Training and Academic Partners to support the ongoing development of business analysis professionals throughout their careers.
- [IIBA Training Partner Exam Prep Courses](#)
 IIBA curates a list of Certification Exam Prep Courses, including scheduled, on-demand, virtual, and classroom options. Updated quarterly.
- Self-Directed Learning: The Agile Extension to the BABOK Guide v2 is a study resource. [IIBA’s Knowledge Hub](#) provides online, searchable access to supporting materials. [IIBA Members](#) have free access to these materials. Also, see the [Agile Analysis Certification Self-Assessment](#).
- IIBA Chapter Study Groups: [IIBA Members](#) can participate by searching for “Study Group” within [Chapter Events](#).

4. Review Exam Information

The AAC exam is offered as an online remote proctored exam managed by IIBA’s exam delivery partner PSI®. DO NOT use company office or company laptop/computer to sit for your exam as work environments and company computers often have firewalls and restrictions.

You Must Have the Following:

- Government-issued Photo Identification (ID)

The ID must be valid (not expired) and original (not a photocopy).

Temporary ID is not accepted. It must be written in western characters, showing your picture and signature.

Your **first name** and **last name** must match exactly in three places: your identification, IIBA and PSI. There can be no differences. If your name does not match your identification, you must notify IIBA. **Only IIBA can make the required update for you** and can be contacted at certification@iiba.org. All updates must be done at least **one week before** your scheduled exam, otherwise you won’t be able to take it.

The following identification is **ACCEPTED**:

- Government-issued driver's license
- US department of state driver's license
- National, state, or country-issued identification card
- Government-issued passport
- Passport card

Photo ID Capture for Check-In

For online remote proctored exams, you must take a picture of your photo ID at check-in or when scheduling the exam.

Internet and Technology Requirements

Ensure you have a reliable internet connection and a compatible personal computer, laptop, microphone, and camera.

- Check the [PSI System Requirements](#)
- Run [the PSI Compatibility Check](#)
- Complete the PSI Tutorial Test once you schedule your exam
- Check and read the [IIBA Guide to Online Remote Proctored Exams](#) for all system requirements

Candidate Responsibility

If you do not meet the requirements on your exam day, you will not be able to take the exam and will forfeit your exam fee.

Room and Workspace Requirements

A quiet room and clear workspace are required. Review the [full details and rules](#).

Review These Resources Before Your Exam:

- [PSI Online Proctoring Experience](#) video outlining exam day
- [Exam Information](#) for refunds, reschedules, and requests for exam accommodation

5. Schedule Your Exam

Within your IIBA profile page, the **Schedule/Cancel/Launch Exam** goal allows you to Schedule, Reschedule, Cancel, and Launch your exam.

PSI requires **48 hours** to schedule, reschedule or cancel. If, at any time you require to cancel or reschedule your exam, **you must do so at least 48 hours in advance** or you will forfeit the exam fee.

Use the information below to schedule your online remote proctored exam.

1. [Login with your IIBA credentials.](#)
2. From your profile page, open the Certification menu.
3. Select My Certifications, AAC and then  to **Schedule/Cancel/Launch Exam**.
You'll be redirected to the PSI Scheduling Page.
4. Select **View Available Tests**.
5. Complete the scheduling process as per the onscreen prompts. You have the option to upload a picture of your Photo ID to the PSI Booking Platform. This allows for pre-verification of the ID and a smoother check-in experience on test day. For details, follow the information in the [IIBA Guide to Online Proctored Exams](#).
6. Complete the **PSI Tutorial Test** at least one time (and up to three times) prior to your scheduled exam to:
 - Ensure you meet security requirements for exam launch
 - Practice the room scan
 - Experience the exam format

To access it, use the link provided by PSI in your booking confirmation email or through the PSI Scheduling Page.

- It will take approximately 30 minutes to complete
- The launch link will expire 2.5 hours before scheduled exam time

Read more about the [PSI Tutorial Test](#).

6. Get Certified

The **Schedule/Cancel/Launch Exam** goal is where you will launch your exam on your scheduled exam date and time. You can log in to your exam a half hour (30 minutes) before the exam start time.

1. To launch your exam, you must login with your [IIBA credentials through the IIBA portal](#), as it follows the single sign-on procedure. **Do not log in directly to PSI at any time.**
2. From your profile page, open the Certification menu.
3. Select My Certifications, AAC and then  to **Schedule/Cancel/Launch Exam**.
You'll be redirected to the PSI platform.
4. Select **Launch Exam**.
5. Follow the check-in procedure and connect with your proctor.
6. Complete the exam.

When your exam is completed, you will receive a pass or fail result on your screen. A confirmation of your result will be emailed to you from IIBA within 48 hours.

3.0 Your Badge and Certificate

Once you have successfully passed the exam, your name will appear within the [Digital Badge Program & Certified Professional Directory](#) unless you have opted out. You can access your certificate and badge directly from this page to download a copy or share on LinkedIn.

IIBA reserves the right to revoke the certification at its discretion and to conduct random audits.

4.0 Maintaining Your Certification

Individuals who have attained the IIBA-AAC designation must demonstrate an ongoing professional commitment to maintain their certification by satisfying the Recertification Program requirements. Review the [AAC Recertification Handbook](#) for requirements on how to record your 20 Continuing Development Units (CDUs) online in the BA Development Log every year.

For over 20 years, International Institute of Business Analysis™ (IIBA®) has helped shape the practice of business analysis to achieve better enterprise outcomes. A professional association with 30,000 members, 120 chapters, 1,500 volunteers, and 500 partners worldwide, IIBA supports the recognition of business analysis within organizations. It enables networking and community engagement, provides foundational standards and resources, and offers internationally recognized certification programs for career advancement.
